

RANDOLPH KALAHIKI

Higher Education/Professional-Vocational Incentive Grant

"Randy" stood tall among those community and ecumenical leaders who founded the Kualoa-He'eia Ecumenical Youth Project (KEY) in 1968. Their collective effort, like ours, drew inspiration from his drive and leadership – encouraging youth and families alike to reach higher while not forgetting their roots in Northern Ko'olaupoko. Randy's civic and social service influence extended far beyond the limited formal education he had access to. This grant supports both his and KEY's dreams, funded by many helping hands and the spirit of civic engagement to build a strong community.
