

## Ho'ohuli

“Turning the Corner...”

Ho'ohuli is a program designed for at-promise adult learners who want to earn a high school diploma and “turn the corner” in their lives by making positive and productive changes.

The Competency-Based High School Diploma Program is offered to students 16 years and older. Successful participants will earn a high school diploma upon completion of the program.

Classes are held at KEY Project located at 47-200 Waihe'e Road, Kane'ohé, Hawaii, 96744.

The program consists of 5 classes conducted over a 12-month period and includes a service learning/employment component.

Students will participate in classes that teach practical life skills in:

- √ Government and Law
- √ Occupational Knowledge
- √ Community Resources
- √ Health
- √ Consumer Economics

Enrollment in this program is on-going. Call today for more information.
